1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Specification, page 4, line 5, change "32" to --33--.

In the Specification, page 4, line 28, change "39" to --19--.

2. The following changes to the drawings have been approved by the examiner: The reference numeral "S" should be added to the drawings. In order to avoid abandonment of the application, applicant must make these above drawing changes.

3. The following is an examiner's statement of reasons for allowance: The primary reason for the for the allowance of the claims is the inclusion of the limitations drawn to the shield being a grating located between the grill and the radiator in combination with the limitations directed to the means for securing. Such limitations, in combination with the rest of the limitations of the independent claims, are not disclosed or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
